

Blayne P. Grenfell

January 23, 1978 - October 4, 2018

Blayne Grenfell, 40, of Kingsford, passed away on October 4, 2018.

Blayne was born January 23, 1978 in Iron Mountain, son of the late Bud and Maria “Mia” (Mascotti) Grenfell. He had attended Kingsford High School and after graduation, he moved to Denver, Colorado, the city which he had called home for nearly 20 years. With a twinkle in his eye, Blayne brought a joyful laugh to everyone he met. He traveled widely around the world, and his adventurous spirit brought him to places that left their mark on him, just as he left his imprint on the people he met during his travels. Blayne was an avid reader of fiction and non-fiction. He shared his love of reading by browsing books with his friends, and by gifting some of his favorite books to those people he cared for—including the occasional stranger whom he had struck up a conversation with. He was an excellent conversationalist, and could lift anyone out of a glum mood with his stories and jokes. Blayne was also at home in nature. He loved hiking, kayaking, yoga, and fly-fishing, which he did alongside those who were most dear to him, in the U.P., Colorado, and California.

Blayne is survived by his brother, Brent Grenfell of South Carolina, and also by many friends who considered Blayne to be like a brother. He will be sorely missed. Rest in peace, dear Blayne.

Private family services will be held at a later date.

Condolences may be expressed to the family of Blayne Grenfell online at www.ernashfuneralhomes.com

The family has entrusted the Erickson-Rochon & Nash Funeral Home of Iron Mountain with the arrangements.

“ I’m very sad to read this news today online but relieved to know. I’m sad to have missed the funeral last weekend and would also be honored to be invited to the family service. But if not I understand! My condolences to you Brent. I had been trying to contact Blayne for awhile and I hadn’t heard back from him and since I only knew him not anyone else in his life, I’m in the dark on his life this past year. I’ve known B for 9 years since we met in Denver with my best friend Evelies in 2009. We’ve been close phone friends since. He came through Indy in 2016 and spent the night on his way back to his parents house in Michigan. My kids loved him, especially his puzzle making abilities and the fact that he let them crawl and climb all over him. I miss you Blayne!

Dear Brent. We are so sorry about the loss of your brother, Blayne. We have so many good memories of your mom and dad and you kids. Gary and your dad go back to kindergarten. Blayne did stop over one day and we had lunch together and were able to catch up on all he had been doing for several years. Time goes on and many things change, but we always have the memories. Please know that you have our sympathy and wish you the best.

Brent, Your brother helped me for a few days at a store that I have in L'Anse as I opened for the season in June. I met him at church. We shared many thoughts and ideas and he helped me with cleaning and organizing. I am heartbroken to hear that he has died. I will pray for you and for his soul. Please when you have your private family services I would be honored to come. I have the little Holy Store in Iron Mountain by the A & W and you can find me that way, if you wish. Many prayers sent your way. S Maria Volp
