“ Bonnie, as I knew her, was always a special gal. My late husband Harlan grew up two doors away from the Raho family so Bonnie and her sister was very close with the Walters' boys , Harlan, Les And Rodney. Their Mom's were the best of friends so seeing Bonnie was extra special to my husband Harlan.He was best friends in grade school etc with their brother Jackie and talked well of the Raho's so often. Bonnie has left the world a little dimmer as she was a bright spot wherever she was. My sympathy to her sons and families. Keeping you in Prayer.

My sincere condolences to Becky's family. Fond memories of spending time together when our kids were growing up. When we would go for fish every Friday night, she would always come to our table to tell us she had just gone out to catch our fish. When my husband was first diagnosed with Parkinson's she called several times and we would compare notes. May your happy memories bring you peace and comfort.
