“ Dear Jim and Family,  
I was so sad to hear about Bonnie's death. We haven't been in touch recently but she was my dear friend in school. We shared many happy memories growing up in Vulcan. Our moms were also friends so we had an extra bond. I know she was a happy wife and mother. Bonnie always lived life to the fullest and my memories of her will be of her laughing and enjoying whatever she was involved in at the moment. My love and sympathy to your family.
