“ *I looked outside this morning and noticed the flags were lowered to half-staff, so I wanted to know why. Although I did not know your son, I am an American and Michigander and wanted to thank your son/husband for his service. May eternal rest grant onto him O Lord, and let perpetual light shine upon him. May he rest in peace.*

“ I remember watching this young man grow to the person he is today. Very proud of you and know God has plans for you to continue serving in his ways. Will miss you and that smirking smile. You became my brother as well as a friend when you took the oath to serve your country proudly. Rest in peace brother. My flag will fly at half mast until you are laid to rest. I ask my fellow brothers and sisters to do the same.
