“ It has been along time but I went to school with Brenda and hung out a few times with her and her sister Pam and brother in-law Bill. We always had a great time and Brenda always had us in stitches with her sense of humor and wit. Although it has been many years, I can picture her just as clear as a bell. I know that she will be greatly missed. You will all be in my prayers for strength and comfort in the days ahead. I'm thankful for knowing her.

“ *Brother Dan and Family,
No words can express how special "Bren" was. She was like a second mom to myself and many other friends of Dan. It seemed like no matter what kind of mood you were in Brenda's smile could make you feel better. Dan, our love, thoughts, and prayers are with you and your family. May God be with you all. Love, Dan and Sara*

“ Words escape me. My memories of "Bean-ah" are solid as a rock, warm as log fire, bright as the summer sun, and as comforting as God's love. She never let me down, always was truly interested in me and my life and willing to share her own. She taught me what it meant to work hard (way back in high school at Kay's kitchen) for which I am still grateful. All I know for certain is that Bean is a TRUE friend in every sense of the word, and I will miss her her shining smile, quick wit, and genuine friendship. This world has lost a one of those persons who were born to help others, just by being who they are. I am so very deeply sorry for your loss. May God Bless and keep you and bring you peace while your mourning eases over time. Most sincerely, Wendy Welty
