“ Heidi,  
Mike told me about your son. I am so, so unbelievably sad for you and your family. As a parent, mother, I cannot imagine the pain you are feeling. I wish I could say all the right things to take away your pain and sadness. All I can say is I am thinking of you and your family. I only hope you and your family can find a way to heal eventually. Honor the memory of your son. I am sure he loved you with all of his heart. My memory of your son was when you guys came for a visit and I think we took you all to an Indians game. He's with your mom and dad. I hope that is at least a little comforting. Again, I am so sorry.  
Love,  
Elaine

“ This is to my darling Brent. I will miss you will all of my heart. You were my first born child. You taught me how to be a parent. You taught me that there is a love that knows no boundaries. You taught me not to take life too seriously and that the best times are the quiet times spent together. You grew up into a handsome loving young man. Although you are no longer with me in this life you are my treasure and will always live in my heart. The time will come when we will be together again but until that time comes please know that I love you forever.
