“ *Leroy and I were saddened to hear about Brian's passing. Leroy had just got gotten back in touch with his nephew. It sounds like Brian had a very tough life. We only wish we had been able to connect with him sooner. We hope you now have peace Brian!* ”

“ *Helped big B out with house work while he lived here in iron river. always talked a lot about ice fishing and deer hunting. Showed me all his good mushroom picking spots so I would give him venison during deer season and walleyes in the winter. He had a great green thumb! I'll definitely miss that fella!* ”
