“ I am very sorry to hear about Bruce. He was my department manager when he was in Electronics at WalMart. I dont think I worked a day without getting teased and picked on by him and his sense of humor. But for all who knew him, that was Bruce! After I left WalMart I never saw Bruce without him holding out his arms waiting for a hug! He was a great guy and all that met him will probably never forget him, I know I wont!
