“ I offer my sincere condolences to the family of Bruce Osterberg, his wife of 58 years, Helen, their children, grandchildren and great grandchildren. Mr. Osterberg displayed his Christian beliefs in all aspects of his life on a daily basis.

I worked with Mr. Osterberg when he was the principal of the old Westwood School in Kingsford Heights. At that time, the 1970's, Breitung Township schools had a system of grouping the first and second graders in one school, with the third and fourth, then fifth and sixth graders, in other schools. I was Mr. Osterberg's secretary, and a little bit of everything else. I enjoyed working with Mr. Osterberg very much. He set the pace for a well run school, with excellent staff from his position all the way down the line.

Again, my sincere sympathy to all of you...

“ Dear Osterberg family, please know we share your grief. Uncle Bruce was always my favorite uncle, kind and caring and always ready to show us a new adventure. I have so many happy memories of the times we spent together at your home. Some of my favorite are snowmobiling, riding on the horse drawn wagon to his Mother's house and driving to Chicago to visit the museums with Beany in the back window because all the seats were full. I pray you can all find peace in the days ahead, we will keep all of you in our thoughts and prayers, much love Kit

“ To Helen and the entire Osterberg family: My deepest condolences on Bruce's passing. I had the great pleasure of being on staff at the Westwood School and the old KJHS. I echo Alice Reed's sentiments about Bruce being all about family. He always encouraged us to attend our children's functions and often "took our class" so we could do just that. Over the years, when I would run into him, he never missed a chance to ask about my children. I had the utmost respect and admiration for him. The world has lost a wonderful man.

“ I was so saddened to read the obituary notice of "Mr. Osterberg". I had the pleasure of working with him in 3 of the Kingsford Schools during my teaching career in Breitung Township Schools. He was always supportive and very understanding of his teachers who were young mothers. He would cover our classrooms on a moments notice if we asked to see our children in a program or if we needed to take them to a quick Dr. appointment. He stood up for his staff and was helpful with discipline problems. Bruce had many interests and flying was one of them. He took me on an airplane ride from the field in Aurora when Helen and he had a teacher party one spring. One by one, Bruce took those of us who wanted a ride, on a short flight in his 2 seat airplane. Helen and family, I am so sorry for your loss. May your wonderful and treasured memories sustain you now. With sympathy and prayers, Alice Reed

“ I owe Bruce a great deal for his leadership and constant support as a long time representative of Florence County on the Bay Area Local Elected Officials Board. Bruce worked hard for us to meet the challenges of the 21st century workforce by providing training and employment services to workers and employers in NE Wisconsin. He made sure that good things could happen for a lot of working people and their families. I count him as one of the most interesting and articulate people I have been associated with.

“ Our sympathies to Bruce's family, Helen and the children. I have so many great memories of him - snowmobiling at the house on New Year's Eve, wonderful Sunday School teacher, lover of God's Word. Bruce gave my husband some birch boards and Jaye made a nice blanket chest out of them. I will always have that reminder of Bruce. God bless you as you remember his legacy. Jaye & Melodie Hayes
