“ I was Telly's niece, and it was so hard for me when he died. But I was told that everything happens for a reason. Now my mom Desi, step-dad Jim 2nd, My one year old brother Jimmy 3rd, and I all live in his house, and there are so many memories from his house all of my memories I had with uncle Telly were all in his living room, because all I wanted to do was spend time with him. I know at one point i'm going to die because everyone does at some point, but i can't wait to see him again. I love you grandma Patt.

“ Love you, Patt - here's a poem I found fitting.

*A gentle wind blew across the land,
Reaching out to take a hand
For on the winds the Angels came,
Calling out our loved one's name.*

*Left behind the family tears
Loving memories of the years
Of Joy and Love, a life well-spent
And now to God our Loved one's sent.*

*On Angel's wings, a heavenly flight
The journey home, towards the light
To those who weep, a life is gone
But in God's love, 'tis but the dawn.*

*Hold Telly tight to your heart with your love and memories. If the
future seems overwhelming, remember that it comes one moment
at a time.*

My heartfelt condolences, Paulie

“ Dear Bergeron family, I am very sorry for you lost. Telly was an amazing person who I got to know through some mutual friends about 15 years ago. He was a very caring and generous person helping anyone out that he could, even if he didn't know them. I just wanted to express what an amazing man he was. He will truly be missed by many.

“ Dear Patt & Family,

I am so sorry to hear of the loss of Telly. I have such fond memories of him as a child visiting his grandma Mary. I met Telly again not too long ago when he removed a dent from my van. It took me some time to realize who he was, but I was so impressed with him as he shared his goals in life. He was a young man going places, who had a beautiful smile and sweet nature. My heart breaks for your entire family. You are in my prayers.

With deepest sympathy,

“ I can't find the words to express how sad this makes me. So sorry Patt and family. I often think about the fun times Alex and Telly shared in their grade school years just hanging out at your house or running around with paint ball guns through the woods. I can't imagine how you begin to deal with such a terrible loss, but please know I am here if you need anything. Thinking of you with love, Mike and Patti Milinski
