“ I was very sad to hear of aunt Connie's death. She was a special person to me and she will always be missed. She was my aunt, and was always genuinely interested in me and what was going on with me. She cared about me! She paid special attention to me and my family when we were children, especially at Christmas. My sadness evaporates when I think about Connie, now face to face the Lord Jesus Christ, looking down at us and saying, " eye has not seen , nor has ear heard, nor has entered into the minds of men: all that God has for those who love Him.

“ I was so sad to learn of Aunt Connie's sudden illness and passing. I'm so glad we had the time with her while taking care of my Dad's estate. She was a wonderful lady and I know you will miss her. Wish we could be there with you during this difficult time. Life is so short. God bless all of you at this time. She had many loved ones waiting for her on the other side.
