“ Hi, I am Carmens biological

*Sorry it took me this long to sign the guest book. I didn't think I should but I didn't want her to think I didn't care about her so here I am 6 or 7 years later signing it. I've seen pictures and my moms told me a lot about her. I didn't know she had passed away until I decided to search for her one day and found her obituary because I knew her name was Carmen. I'm just really sad she's gone. I'll see her in heaven someday when it's my time. I'm sorry to hear she passed away. I know though she's not suffering or in pain anymore. I was hoping that maybe I'd find her alive but I didn't. Shes with the angels now in heaven. I love you mom! I'll never forget you.*

*Martina*

“ Hello

*You don't know me, and I don't really know you or if you'll even check this, but Carmen was my aunt. I'm the daughter of Eugene Mainville, my name is Christina and I'll be 18 years old in October. I had no idea that Carmen died. I didn't even get to know her.. or any of you. I actually came accross this at school. I was searching for the Mainville family, and found my father highlighted as "Eugene Mainville of Duluth Minn." I knew he was in prison in Minnesota, so I clicked it and it brought me to the Obituary archives. I just want to say I'm deeply sorry and very saddened at the fact I didn't know her or any of you. I would like to keep in touch. We have a lot of catching up to do. Please e-mail me or keep in touch.*

*Sincerely,*

*Christina of Lake Havasu City, Arizona*

*Daughter of Eugene Mainville and Rocklynn (Jodi)Jodene Adams*

“ My Deepest sympathy in the loss of your Dear Carmen. I remember her as a little girl when your family lived across from mine on Withworth in East Kingsford. I hadn't seen Carmen in probably 30 years or more and would have liked to have seen her again and met her family. She wasn't able to be here for her father's funeral, I had hoped to see her again then. How nice it would have been to have seen her and her family. I guess now she'll be forever frozen in my mind as a little girl. I am thankful to learn she had over come the obstacles in her life and had made a better one life for herself. You're in my thoughts and prayers during this time of sorrow. JoAnn Sanford

“ My deepest sympathies on the death of your sister Carmen. I remember Carmen from when we were young girls in East Kingsford and from school at American Martyrs. I remember her as a kind a loyal friend with a good sense of humor. In spite of the obstacles in her life, she had a good heart and you can rest assured she is in a better place and reunited with your other family members. My prayers are with you.
