“ *Oh Auntie Carol. So, so very sad to see you go. I will miss so much about you and all the memories you've left for all of us behind. Your love of prose, singing, donating, loving was/is awe-inspiring. You're love of music and ancestry was epic. The detail and all the work into a VHS for us all. I trust you know how much you are dearly going to be missed. Yet I find peace in knowing you have such a wonderful reunion going on up there. You are now another loving angel in my life watching over and I trust in that. God Bless You. Rest In Peace (Warrior Woman)*
