“ I am curious what is going on with that picture in the header of this page. My Mom and Dad walking and holding hands? Hey! Did you know that when my Mom was 20 she would pick my Dad up on the trout stream and bring him a cold 6 pack of beer? Now there's romance!

“ *Carol and I attended Iron Mountain High School together. I graduated from Cudahy High School in Cudahy, Wisconsin when she graduated from Iron Mountain High School in 1963. The class has been gracious and has asked me to attend the class reunions. I appreciated Carol since she helped the class keep in touch with me and that allowed me to keep in touch with classmates I had attended school with through 11th grade. My thoughts and prayers go out to all in her family and her long list of friends. Karla M. Kaziana*

“ We are so sorry to hear about Carol. She was such a wonderful person.....her smile, the feeling that when you talked with her, you were the most important person. She was the same in high school as she was in her adult years. God's got another wonderful angel...our deepest sympathy to you all.

“ *There are so many memories I could share...they've been running through my head since I heard the news like a movie! Carol was such a good friend to everyone...especially me. She helped me through so many tough times with her wit and laughter. I will never forget when she first pitched the idea of the skit with the Canadian Mountie....you want me to do what?? She promised me it would be a blast and a hit...and as always, she was right. The cast of Jukebox Memories will forever miss and remember our Sister Gus with a laugh and a tear. She was so loved!*
