“ Dear Carollo and Steele families,
I am so sorry for your loss. Even though I didn't know Caroline well I could tell she was a special lady. She was always upbeat and friendly on the occasions that we were able to 'meet' on the road. She was very easy to talk to and always expressed a genuine interest in my family. I sincerely hope that you will quickly move past grief into fond memories of your mother/grandmother/aunt's time here with you.
May Christ's love and peace surround you at this difficult time.
