“ We're sending our deepest sympathy to your family. Chad was a friend of our son Allen. He was so sad to hear this and asked me to send his sympathy and prayers as well.

We enjoyed the times Chad came over to our house and one time he even brought us a wonderful peanut butter pie that he had made.

May wonderful memories of him live on with you forever and keep him close to your heart.

“ Chad, I'm so torn over all this! I'm so thankful that we got the time we got together the past few years and especially the day you gained your wings! I love u and I always will! Good-byes are not forever, good-byes are not the end they simply mean until we meet again! I love and miss you and I always will!!
