“ Jeff & Mike so sorry to hear about your loss. I have a lot of great memorizes of Chuck . Remember how much time we spent in our camp on top of the garage and we both loved to sleep out side and watch the shooting stars.

“ I was surprised to hear of Chuck's passing. My condolences to the family. Chuck was a lot of fun to hang out with when we were teenagers. Like most teenagers, we did our share of cutting up and then trying to cover up our tracks. We never thought that this day would come but it has for Chuck. I am sure that he is in a better place. God bless you Chuck and thanks for all of the great memories! You are missed.
