“ *Miss Me, But Let Me Go*

*When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom-filled room,
Why cry for a soul set free?*

*Miss me a little-but not too long,
And not with your head bowed low.
Remember the love that we once shared.
Miss me-but let me go.*

*For this is a journey we all must take,
And each must go alone.
It is all a part of the Master's plan,
A step on the road to home.*

*When you are lonely and sick of heart,
Go to the friends we know,
And bury your sorrows in doing good deeds.
Miss me-but let me go.*

You will always be missed!

“ *Shari & Family,*

*My thoughts and Prayers are with you.
I mostly knew Chuck through the love that you displayed for him
while telling stories at work. I know that he was a Fun-Kind- Loving
guy and when I did see him in the office or having a beer at Sikora,
he was always smiling.*

I know he will be missed.

*God Bless you Shari
& I hope you have peace.*

“ Our thoughts and prayers are with you Stacy, Nikki and Shari. I always remember Chuck picking Gabby and Nikki up and chauffeuring them around place to place. He always had a smile on his face and was willing to do things for others. We know he will always love his girls. We were extremely delighted and lucky to have known Chuck. Wish we were in Niagara to be with you guys. Our condolences from Washington State.

“ My deepest sympathy goes out to Stacey and family, although I never knew you I am blessed to know your daughter. Her character speaks well of her upbringing and can only imagine the man which you were! I know you will be very missed by your family , but know they will move forward due to the excellent values and morals you instilled in them ! Gone but never to be forgotten!

“ Knowing Chuck for 24 years, he will always hold a very special place in my heart. Since I was a kid, Chuck, my Dad (Uncle Jim) and my husband Mike would hunt together and share stories. Chuck's laugh was infectious! I know that he and my Dad are on a fabulous hunting trip together right now. My love to Shari, Stacy and Nikki in this time of sorrow.

*For every burden that we bear,
For every sorrow, every care,
There's a reason
For every grief that bows the head,
For every tear-drop that is shed,
There's a reason
For every hurt, for every plight,
For every lonely pain racked night,
There's a reason
But if we trust God as we should,
All must work out for our good,
He knows the reason.*

*Love you all,

“ Shari.... I was so very saddened to learn of your loss....

When I am Gone

*"When I am gone, release me. Let me go.
I have so many things to see and do.
You mustn't tie yourself to me with tears.
Be happy that we had so many beautiful years.
I gave to you my love. You can only guess
How much you gave to me in happiness.
I thank you for the love you each have shown,
But now it's time I traveled on alone.
So grieve a while for me, if grieve you must.
Then let your grief be comforted by trust.
It's only for a while that we must part,
So bless the memories within your heart.
I won't be far away, for life goes on.
So if you need me, call and I will come.
Though you can't see or touch me, I'll be near.
And if you listen with your heart,
You'll hear all my love around you soft and clear.
And then, when you must come this way alone,
I'll greet you with a smile and say welcome home..."*
