“ We were sadden to see Charlotte's death in the Marquette newspaper. My Husband and I grew to love her as she was my Mother's roommate at Pinecrest almost three years ago. She was always lending an ear and giving us comfort as my Mother's health became wore and worse. She was full of energy, good spirits and love.

We are thankful we had the opportunity to get to know Charlotte and we wanted you to know also how much joy she brought to our lives.
