“ *Millie & Family,*
we are so sad to hear of Clem's passing. It's been years since we last seen him, but we remember him with fond memories. He was kind enough to help us when we were looking for a business to buy in Republic 13 years ago. We would be at the service Monday, but we are now at a graduation in Lansing. Our prayers and thoughts are with you.

“ *Millie and Family:*

I was saddened to see Clem's obituary in the Mining Journal. My condolences to you and your family. Millie, I don't suppose you remember me but I worked with Clem and Jack Singler at Morrison Audit Company almost 60 years ago. In fact, Clem and I shared an office and I always considered him to be a "cut above the rest".

God bless you and your family,
