“ *FUNERAL HOME - PLEASE PASS THIS ONTO JOANNE MAUCK ASAP = THANKS*

Joanne: A belated note of condolence to you and yours in Clifford's Passing. This is not a good venue to leave a note/request, but here goes: I graduated from Iberia High School in 1954 and immediately committed to the Navy for 8=years. My parents and Clifford's parents were close friends. So much so they are buried next to each other in Iberia Cemetery. Thus the reason for my message: In a recent visit to both their grave sites, I noticed both monument foundations have deteriorated to the point, they should be redone. I discovered this while making final arrangements for myself and two brothers. Our grave sites are on the other side of my parents. My plans are to install a continuous foundation for all our monuments and would include a redo of our parents as well. I could have the Mauck Monument included, if you wish. The cost would be \$350 to \$400. You can reach me @ 419-571-1476. I can visit the Iberia Cemetery and do I-pad photos of what I found as well as a photo of the foundation recommended.and email them to you. This probably sounds goofy to you (It is not a hoax). A call to Snyder Funeral, Home - Richardson Davis Chapel in Galion to verify and ask for Chuck Jackson @ 419-468-1424 as he is handling my monument process. I do treasure the memory of both our parents & remember many good stories Cliff's Dad told about their motor cycle adventures! SINCERELY; CHUCK MILLER

“ Hi Joanne,

I am so sorry to hear about the loss of your best friend. I am remembering fondly the work we all did with those silly Freshmen in Niagara for 10 years! He left a mark on many and I know he suffered greatly in the loss of Kelly.

I am in Green Bay and I will get a card out to you soon; I just wanted to send my thoughts of special fondness to you on your loss. If you are ever this way, please look me up. Take care and relish in the thoughts of the lives you shared. Love, Mary Ann Anderson.

“ Joanne and Craig,

I'm so sorry to hear of Cliff's passing. I'll always remember how kind and tolerant he was toward Craig's friends (whose antics often didn't warrant either response from him.) The love, concern, and generosity that he showed toward Kelly and Craig was always extended to their friends as well, and that says a lot about Cliff - he always made you feel like you were a part of his family.

“ *My condolences to the Mauck family. I didn't have a chance to really get to know Cliff, however, during our brief time that crossed, he was very kind and friendly. Offering advice and insights about the PIAW as I entered into the ranks of the organization. I feel fortunate to have had the opportunity to meet him.*
