“ Joe and family...I am so sorry for the loss of Connie and recent loss of her father. I know Covid has turned every day upside down one way or another for family, friends and people who we don't even come in contact with. Just thought I would share the following:

*"The nicest place to be is in someone's thoughts".....
"The safest place to be is someone's prayers"...
and the best place to be is in God's hands". Connie is in all three of these places!
God be with you and your family.*
