“ Your mom and I shared many a cup of coffee when I lived next door on Bluff street. I was a young stay at home mom and she taught me many practical things about raising children and life in general. I can close my eyes and hear her laugh! I stopped in to see her after I heard she was at Evergreen and could see her great spirit shining through. My sympathy to each of you on her death. We know that she is now resting in the arms of our Lord and Savior. - Dodie (Dallapiazza) Wagner
