“ Dear Pam Brent and family, So sorry to hear of your moms passing. Brings back so many memories of our years together in Spread Eagle. Mostly the bus rides to and from school. Brent you and John Jessen were my best buddy's for most of my high school years. Pam, always so cute i felt like the jolly green giant next to you. Envied you your popularity during those tough growing years. I saw your mom around 15 years ago here in Minneapolis. So many things had changed but she was proud of her family. My thoughts and prayers are with you at this difficult time. I remember your family fondly and miss those good ol days. I have sent a picture of my family which is finally starting to grow. Love being a grandmother. Take care.
