“ Our Thoughts and Sincerest Condolences are with you all at this time. We will all miss Corinne very much. Don't grieve for me, for now I'm free; I'm following the path God laid for me. I took His hand when I heard him call; I turned my back and left it all. I could not stay another day, To laugh to love to work or play. Tasks left undone must stay that way; I found that place at the close of the day. If my parting has left a void, Then fill it with remembered joy. A friendship shared, a laugh, a kiss; Ah yes, these things, I too, will miss. Be not burdened with times of sorrow; I wish you the sunshine of tomorrow; My life's been full I savored much; Good friends, good times, a loved one's Touch. Lift up your heart and share with me; God wanted me now He set me free.
