“ Jim, John, Darryl - I am so shocked to learn of Cori's passing. I tried texting and calling. When her phone didn't take a message I did a search and saw the obituary, we were very good friends for many years. Haven't seen her since 2021 but would talk. My sympathy to you. Peg VanBoxel

“ To Corrine's family, I've been so sad since hearing of Cori's passing. We were good friends and roommates years ago when she worked at Lake Shore. Though we lost touch, we were reconnected a few years ago which we were both so happy about. We shared our love for our Yorkies and I pray for Maddie who will be missing her mom. We texted and spoke on the phone up until recently when her texts stopped and I learned of her passing. I hold her memory close and being Christians, one day we will be reunited in Heaven. God bless you all in the recent loss of Rod and now Cori. May God bring comfort and peace. Love in Christ, Kay Enstrom Arcand

“ Corrine and I were classmates in Kingsford, with a friendly relationship for 12 years. She typically had a kind, warm smile and a great attitude. I recollect exchanging Valentine cards in grade school. My, how the years have flown by! It appears Corrine had struggles in her later years, but she is now at peace. Condolences to her family and friends, and may God Bless Her Soul 🙏

“ *My sincere condolences to the Wickman family. I cherish the memories of Cori’s friendship in our young, healthy years together. She was a dear friend before a sister-in-law. I regret time lost as her medical issues controlled her life. My prayers are with you and Jim during this time. Rest in peace, Cori. I’ll toast you at “Fondle Lake”.*
