“ Curtis was my uncle -- my father's (Harold) younger brother. My siblings enjoyed our visits to Curtis and Dorothy's cabin in Foster City.

“ Curtis was a second cousin of mine whom I never met. As I research our family tree, it is always sad to find a new relative who lived so close to me (I was born and raised in Milwaukee) yet we never knew each other. If any family member might be interested in photos that I have of Curtis, his parents, or maternal grandparents, please contact me.
