“ I wish I could thank her for being a beautiful, caring & supportive mother to me. Also loving & caring so much for my dad. I will always remember her amazing smile and great sense of humor. I'm so glad she became not only a part of our family, but actually being there for us. I'm thankful she made it to my graduation with my dad. I will always keep her photos on display, so everyone will know how much she meant to me.

“ My dearest "grandma" Cindy, tonight i am reminiscing. I remember how it was always so amazing to wake up at your house in the early mornings before school. No matter how little time we had..you always made me breakfast. (Sunny side up eggs and toast with the crust cut off) :) Sitting with you and talking about everything and anything is a memory that I will take with me to my grave. You always encouraged me and told me to do my best at everything I did. Another memory that I keep thinking back to is when we went fishing out at Lake Antoine. We all got out of the boat and we started off toward the end of the dock. Somehow, we managed to forget to tie up the boat and away it floated. In a panic..you jumped right in after that darn thing. After catching your breath, we laughed and laughed about the whole ordeal. As these memories float through my mind, I think of all the good times we have had. I will go to bed tonight with a smile on my face knowing that you are at peace and that we were able to exchange "I love yous' one last time. I love you, and I miss you so.

Cindi, family and I have been together for 35 years. She was a very dear friend to my mother Bernadette Lindberg/Myers. Cindi was a very big part of my life early on. She was a wonderful person and I will miss her very much. I know now she is with the Lord and that is the best place to be. We will see each other again.

Cinde and I worked together at Commercial Bank many years ago. I spent many a hour after work at her home at Riversbend . She was a gutsy lady and that was a quality I loved about her. You always knew where you stood. She adored her children Christine and David and teacup poodle. Rest in the arms of our Lord dear Cinde, Marci Picucci

Augie and family:

Remembering Cindy, her wonderful laugh and sometimes the “look”, I think Helen Keller said it best, "What we have once enjoyed, we can never lose. All that we love deeply becomes part of us." Our heartfelt condolences to you and your family.
