“ *Butch's Sister's & Wanda... Family,*

I was a friend of Dale's from Iron River. I was a radio friend who spent many hours talking to him for quite a few years. I also visited him many times when he lived over on Breiting I think it was? Where he lived in the brown house. We used to talk about our younger days and all the good times we had before life got complicated. I have had many problems with booze like Dale. I had many run ins with the Law because of it but I quit the stuff 20 years ago.

We kind of lost touch after he had someone to take care of him. I didn't feel the need to stop over there. I did wonder how he was and never got the chance to say goodbye...I didn't know he was so sick. He was the 306 on the radio...I was the 629. We all had numbers. I am a ham operator now.

I miss not talking to him though. I surely will miss now. I'm "very sorry for your loss". ...

Sincere Condolences to you all....Edd & Karen Jones Iron River, Mi.
