“ I am Danette’s cousin Bob (Johnson). My dad (Kenneth) was the half brother of Danette’s mom, my aunt Bernice. Regrettably she is the second cousin that I’ve lost in the last few months and I’m very sad to learn of her passing. Danette was always a very caring person and was extremely considerate toward both of my parents. I last saw her at my mother’s service over 20 yr ago; unfortunately we lost touch when I moved to California some time ago. However I will always remember fondly the memories we shared growing up, spending time with our grandparents during the holidays, and later, of meeting her loving husband Darrell and playing some spirited pickup basketball with him. May she rest in peace and may God grant strength to Darrell and all those whose lives she touched.
