“ *Stacey and I worked with Dan for several years. During his time at Brennan, CCI, and directly for me at Packerland broadband. Dan was a very wise and humble Employer, co worker, and employee through all those years. Many times I asked for Dan's advise, both personnel and professional. Our thoughts and prayers go out to his family, Dan was a great person and will be missed.*

God's speed my friend and look forward to seeing you again.
