“ As years go by, so often we are brought back in time to remember someone. It is now I lovingly remember Dan visiting at our house with his mom and sisters for an afternoon of friendship and play. What a warm feeling I have of thinking how Dan was always included in the time we got together. He was always welcome. He will be missed by his family and friends. I am sorry it is not possible for me and my husband to be at the celebration of life for Dan. Be assured you will be in our thoughts and prayers and hopefully we will get to see the family in the near future. Hugs,
