

## Darcy Walstrom

June 19, 1963 - March 13, 2020

Darcy Walstrom, 56, of Iron Mountain passed away on Friday, March 13, 2020, at Dickinson County Hospital following a long illness. She was surrounded by her family.

Darcy was born June 19, 1963, the daughter of the late Roger and Kathleen (McCarthy) Duchaine. She married the love of her life, Elwood Walstrom, on August 30, 1985, who preceded her in death on July 12, 2007.

She loved spending time with her family and friends, playing cards, going out to eat, floating on a tube at the river or going for a quick drive to the casino.

Our lives will not be the same without her. She was always the life of the party, and her laughter will be missed by all.

Darcy leaves behind three sisters, Cindy (Paul) Campbell, Judy Wicklund and Caryn Carlson, all of Iron Mountain; a stepson, Elwood Walstrom; sisters-in-law, Tina (Donald) Schoolfield and Sharon Weber; brother-in-law, Ferrand (Sam) Ethington; a very special great-niece, McKenna Wicklund; her nieces, Katie (Tyler) Hill, Trisha Wicklund (Randy Ochs), Stephanie Wicklund, Sarah (Dan) Grignon, Danielle (Matt) Fleming; and a nephew, Ryan (Samantha) Wicklund.

Over the years Darcy worked for the ISD and Northpointe. She volunteered at the VA Hospital and American Legion.

In accordance with Darcy's wishes, only a private family gathering will be held.

“ I met Darcy 3 years ago. She needed a oxygen/purse bag. Since she was on oxygen she didn't carry a purse. So I disigned one for her so the oxygen tank was separate from her purse. She loved it and I loved her too. She was a blessing to me in ways she doesn't even know. Rest in peace my dear.

“ I loved her to pieces. I loved her smile and her kindness. When we would be in Iron Mountain we would have lunch with her. We had so much fun with all the cousins at the casinos. She will be missed in my heart.

“ I have so many memories of Darcy. We talked on the phone almost everyday and I will sure miss our phone calls. When I would visit home I stayed with Darcy and we started every morning playing at least 3 or 4 games of cribbage. I drove her cross country to the price is right to the grand canton Vegas and one of the highlights was pushing her in her wheelchair to the price is right and I hit something and she got tipped out in the street and she had a cup of coffee in each hand and didn't spill a drop we laughed so hard and talked about that trip often. I will truly miss her even if we had a scrabble it was done over and we moved on. To Judy and Cindy I will still consider me the other sister and looking forward to cribbage games love you guys Darcy I love you and I miss you terribly RIP my sister

“ I was at Darcy and Al's (Sonny's) wedding and I know that they were meant for each other. When He passed away she lost the love of her life. She was always ready to have fun with her friends and family and was the life of the party. Her laugh was contagious and everybody loved her. I had alot of talks with her on the phone and we communicated on FB private messages about personal things both she and I shared with each other that we swore to secrecy. She always provided a shoulder for me and gave me advice. I wish I would have visited her in person but she understood, I'm just not a big social butterfly. I will miss her very much and I know that she is at peace and not suffering anymore. I see her and my brother playing dice and drinking coffee. They are together again. She is with family members who have passed away and when we are all together again we can have another humungus family reunion. RIP Darcy. I love you
