“ Dearest Dolly, we've been very blessed to have you for a friend in our lives. No more pain and suffering, you are finally at peace. I will never forget all the great times we had together!! I was so lucky to be with your family to watch your Packers win on Sunday! (I still think you had something to do with that ;) I cheered them on, even though we are Lions fans. :) We love you and miss you, Dolly. We're praying for your family and friends to help them through this very difficult time. Our deepest sympathies to the Goad family.

Love,
