“ *Dear Bash Family,*

I was sorry to hear about David's passing. I have the pleasure of knowing "young" Dave through my son Brian Warmuth. I only met David once at Dave's graduation and his pride was apparent.

I know Brian and Todd are going to try to help Dave in any way they can at CMU, but if there is anything he needs that Mark and I could help with, please feel free to let us know.

Our thoughts are with you and your family through this difficult time.

“ *It will be the little things
that you will remember,
the quiet moments,
the smiles, the laughter.
And although it may seem
hard right now,
it will be the memories
of these little things
that help to push
away the pain
and bring the smiles
back again.*

*Sending my deepest sympathy to you and your family
