“ Auntie Sharon, Deb, Kim and your families. I'm going to really miss Uncle Dave a lot and his laugh and his silly songs to me. It's just not going to be the same without him, but I know that he is safe with grandma and grandpa and he will be watching over all of us. Love you all.

“ Sharon,
Someone had shared these very touching words that stayed with me after my loss. I wanted to share them with you.
Tonight, when you look up don't think of them as stars. Think of them as porch lights, welcoming your loved one safely home.

“ Dear Sharon, Debbie, Kim and families,
I was heartbroken on hearing the sad news of David's passing. I've always felt a special closeness to David over the years as we always had such special times together at family gatherings back in Iron River and Bates. He was really my closest cousin over the years and I will miss him. He had a special love for his famiy and he was so proud of all his grandkids. They are fortunate to have had his total support and love. Keep him in your hearts and know that he is smiling down and will be watching over all of you. Deepest sympathy to all from Gene and me.
