“ *Cindy and Family,*

I was so saddened to hear of Dave's passing. He left me with many great memories like CRUISING THE GUT or POUNDING THE DRAG, parking in front of Kresge's and having fun listening to the electricity, hanging out at Chickee's, The Casa Loma, Lake Antoine. I feel a hole in my heart and will miss you Bro. May your new journey be as exciting and fulfilling as your journey on Earth. Fadel and Archie, you lost a wonderful son and my heart goes out to you.

Love to you all,

Dann & Vicki Geronimi

Thank you for the memories you have given me as well as the advice. I know you'll be looking down on your family from heaven. Rest In Peace*

“ Uncle Dave, my heart is shattered. You are such a huge part of my life and it's hard to look outside or pull into my driveway and know you're not there to greet us. Thank you for always being there for me and my children, thank you for believing in me and always looking out for us. I am thankful that my children got to know you and love you as much as I do. “ I am so sorry for your Great Loss! He was a great and kind, loving man. I met Dave years ago when I worked with him at Norway Gravure; he was so much fun. I saw him a couple of years ago when I ran into him at Wallgreens. I sure wish I would have kept in contact with him throughout the years. I guess I never thought he would leave at such a young age. I miss you, my friend. My thoughts and prayers are with his family. Lisa Becker
