“ On behalf of the family of Charles Trebilcock (Dave's cousin) here in British Columbia, we were incredibly saddened to hear of Dave's passing. My dad constantly entertained us with tales of all the mischief that he, Dave, and Freddy got into when they were young. It meant so much to my dad in his last months when Dave and Freddy came out here to see him. They all had so much fun reminiscing about the good 'old days! I can only imagine the shenanigans that the three of them are up to now! You are all in our thoughts and prayers. Sheri Guse

“ Dave and Charlotte were the first people we met when we moved here to the U.P. They could not have been more kind or thoughtful. We ended up buying our home from them. We became friends with them and their extended family over the years. We enjoyed their stories and experiences of their lives living up here. They taught us how to be Yoopers! Our condolences to Charlotte and the kids.

“ Dear Charlotte, Carolyn & Brian, Theresa & Scott and Grandchildren/Great-Grandchildren,  
Our hearts are breaking along with all of you. Dave/Dad/Grampa was an easy person to love; we could see Dave loved all of you dearly. His soft-spoken demeanor with a very funny sense of humor made him easy to love and be around. As Char's Sister and Brother-in-law, we can attest that Dave was welcomed into our family with open arms and could tell our Mom & Dad loved Dave as a son from the get-go! Dave was a perfect match for Charlotte and a part of our family who will be greatly missed.  
May our Lord comfort all of you, bring you peace and strength as we journey through this difficult time. With our love and deepest sympathy, Frank and Betty Ann

Kirk and I enjoyed living across the street from your family on Lake street. David and Char were great neighbors and we enjoyed having Caroline for a baby sitter. My heart goes out to your whole family, remembering Dave with a smile.
