“ I would like to pass on my condolences to the Menghini and Benzie families. Dave took special interest in me as a student to which I am deeply appreciative. He made a positive difference in my life. He went out of his way to allow me to complete my drivers Ed early so I could spend time with my father in Chicago. This required him to give me private lessons at 6:00 a.m. in order to leave early to visit my family. I was raised by my grandmother so the time spent with my parents was precious, he made this happen for me. I am deeply saddened by his passing, he will be missed dearly.
Sincerely,
Willie Fontana

“ Our deepest sympathy to the Menghini family on their loss. Enjoyed good times with Dave and brother Bob on fishing trips. Visits to the U.P. often involved time at the camp with his dad & uncles. Also, I remember great meals at his sister Betty's house.

“ I am so sorry for your loss. Mr. Menghini was my Math teacher and basketball coach in Jr. High. He will always be one of my favorite teachers, and no matter how much we teased him about his old truck, it was pretty cool. God Bless!
