“ We are so sorry to hear about your loss. Dave was a great person! Always, always there to help in anyway he could. I remember this 12 yard dirt pile that was going down shovel by shovel very, very slow at our house. One week-end Dave showed up with his front end loader and leveled it for us in a matter of minutes. Always giving of what he had for the benefit of others. He made us feel so good whenever we ran into him.

We can all learn a lot from the many examples and display of kindness he showed our family. A sad day for us all. We are very sorry for your loss.

“ I was shocked and saddened to hear about Dave's death. Although I've been away from the Kingsford area for many years, whenever I'd run into Dave while home we had great visits. He enthusiastically shared information about his Ireland travels when he heard my Dad and I were planning our Ireland trip.

Dave had many interests, and did many things in his life. It was shorter than we'd like to have seen, but he put more experiences into it than many.

Dave and his family are in my prayers.

“ Barbara,
While you may not remember me, I met you in the County Clerk's office but I knew Dale & Mary Lou very well. I also appreciate all of the care you gave me at the Clerk's office.

Please accept my sincere sympathy for your loss.
