“ A sad day for all who knew Dave. I worked with him at KFC while in
high school (many years ago). He was a class behind me in school
but we had many good times together. I will always remember his
kindness and dry sense of humor. My deepest sympathy and
prayers to the family.

“ Dear Anita and family,

I was so sorry to hear about Dave. I will always remember the many practical jokes we played as kids, even eating the garlic before Jr. Choir practice at Emmanuel. Anita, you had to ask Dave and me to leave because the garlic smell was so bad! And the many sleep overs in Iron Mountain after you moved there, being roommates at NMU our freshman year, sharing letters while he was in the Navy, and his wonderful baritone singing voice. While we didn't get to see each other as often as I would have liked in later years, I will always cherish his and your family's friendship. My thoughts and prayers are with you all.

*Love and Peace,

“ I'm so sorry for your loss. The picture that you have posted is how I've always remember Dave. A flannel on and a big smirk. He always loved to joke and tease me as a kid. I was forever known as Tracy not Stacey. He had such a fun and outgoing personality and loved his family so much. The entire Ruohomaki family has been like my own so my heart aches with you right now. May God watch over your family during your mourning. I love you all!

“ I'm so sorry to hear about Dave..I met Dave through Brian Bongli when we were all in the Navy...Dave was a great guy and very good friend...we both retired from the U.S. Postal Service...after my health went down a few years ago, Dave would call me at the hospital and after I came home...Dave always kept us laughing and was the best ping-pong player...the news from Brian was so sad, but I know he's in a better place...I'll see you again, my friend..RIP Buddy!
