“ My heart goes out to the Scott family. The loss of David is unimaginable. He was a fantastic person that I have a lifetime of memories with. I will forever cherish our trips to Mayo Clinic and the fun stops along the way. He was always a guy with tricks up his sleeve and he had a way about himself that will never be forgotten. Rest easy buddy ❤️

“ I am so sorry for your loss! Dave had become such a bean of light within my light for the past three years and he'll be deeply missed. Dave always held a warm smile on his face, and was full of love. Before Dave I knew little to nothing about football, but slowly with each game Dave's taught me something new. His love for music has lead to me also start following along to see who will be the next top artists. Dave loved his family deeply and always spoke of them with so much pride. I pray, that Dave is enjoying his a warm cup of coffee with a big smile on his face at peace.

The parties at the house, your daily calls, that always ended in we love you the best, your football talks with Kyle and so many more, I don't have enough room to write it all, our trips to see your mom and dad, where I watched the horses out in the field !! You are now free and flying with the angels, I not only speak of me , but all of us at Ford River ! We love u David and we will all see you in another life ... I know you will watch over us always !*
