“ Ginny,
I am so sorry about Dave's passing. I just happened upon the Daily News online tonight and saw his obituary. I will always remember his unbelievable ability to make anything you needed for your shop and/or home! And of course, I remember the stories of Roger the deer. I have always missed your unbelievable good nature and personality and I hope that that will help you get through this loss of your loving husband. Please pass my sympathy along to Char and your son Adam. I will keep all of you in my prayers.
In deepest sympathy,
Dot
