“ My thoughts and prayers are with you all during this hard time. No words can change the way you feel, but the memories will live on. I have great memories of Dawn: from the hair cuts at the salon (or "saloon" as I liked to call it), to working with her and enjoying conversation at Ebeling's IGA, to her putting up with Ryan and my nonsense during sleep overs, etc. She was always smiling and a joy to be around! Her energy and love for life now flows through everyone who knew her. Though her life is sadly over, the love she showed towards others lives on and will be passed on for years to come. We will miss you, Dawn.

“ I will always remember Dawn's laugh and smile. She was fun, kind, and understanding. She loved her children very much and was the best sitter I could have ever found for my daughter. I feel this is a certain surreal time for everyone who knew her. I wish her family did not have to feel the pain they are enduring. I will pray for her and all of you, Love Holly M.

“ To Jamie and the Macario Family,

You all have my deepest sympathy in the loss of your partner, daughter, mother, mother-in-law, grandmother, and dear friend. You are all in my thoughts and prayers.

Dawn had a heart of gold and shared it with those that she knew and even those that she didn't know as well. She had a smile that beamed and brightened up everywhere she went. She loved life and those that were in her life, as she talked about them often. She was truly a blessing to all that knew and loved her. We will miss you now and always, Dawn!

I will never forget the "note" she gave me at work telling me we had to talk. That was the beginning of such a wonderful friendship. I will remember all the nights of playing cards, listening to music, dancing and just having a good time. She was an awesome friend and I will never, ever forget her.

*Love,
Kim*
