“ I was so sorry to learn of your Mom's passing. I don't have many childhood memories to share, but when she dove into the Baacke genealogy, I was able to enjoy her wit and joy about helping her find family gravestones in a Chicago cemetery. My deepest condolences to your whole family...

“ Dee was a wonderful woman whom will be missed dearly. She made us caramels more than once for our Christmas parties and finally shared the recipe with me one year so that I could make my own. She loved her family and missed Josh & Jack dearly. When I would see her, we would talk of her Dragonfly pin on her jacket and how her loved ones, like all of our lost loved ones, are Dragonflies and they come down from Heaven to visit us. Dee is now a Dragonfly and I will look for her in my yard next summer. Fly High Dee you deserve it. My deepest sympathies to the family.

“ *I have many happy family memories when DeeDee, "Ronnie", and I were still in grade school, and early high school. Susan, you were still a twinkle in Aunt Fran's (Honey) and Uncle Bud's eyes. In the early years, your mom and dad still had horses--a real treat for us Chicago city kids. To make room for you, Susan, your parents built a beautiful, ranch house right next to Grandma Baribeau's. When I visited, DeeDee and I spent much time at the roller rink wearing short skating skirts. I didn't own one, but one of my younger sister's (Linda) did the trick! DeeDee was a terrific roller skater, and for a time, even took up speed skating on ice--a specialty of my family's! I remember when she fell in love with John, and Star was born. Unfortunately, over the years, with busy lives and growing families, we lost touch, but the fond, childhood memories of our times together remain forever in my heart.*
