“ I,m sorry I miss-spoke when I said I only knew Lila. Deanna was my cousin and her mom and dad my aunt and uncle. I meant I have not seen any of my cousins in that family except LILA once in awhile. I played with Deanna and all of her brothers and sisters when we were young. Even though I did not meet Deanna's husband, she talked about what a good man he was for putting up with all her craziness.LOL. It was never a dull evening if Deanna was there thats for sure. My heart goes out to her husband also as she felt blessed that she found a good man later in life.

“ I will always remember your laughter, a laugh that was contagious and made others laugh just to listen to it. You were always one of my "fun" cousins, always enjoyed being around you. I didn't get to see you in the past years but will always remember the times I did. May you rest in peace now, and let your laughter ring throughout heaven.

"He died for us so that, whether we are awake or asleep, we may live together with him" 1 Thessalonians 5:10

Love you always,

“ This teddy bear is for Deanna"s 3 grand daughters. When I visited last with Deanna she said " Terry, I don't know how I could ever have been blessed with a daughter as wonderful as Nicole and she is such a good mom. I hope I am like her when I grow up" :) She loved you all so much and was so proud! And Nicole, just know that your mom was so proud of you and the wonderful wife and mother you turned out to be.

“ This is for Deanna's family. I really only knew her siblings, especially Lila. I am so sorry to hear of Deanna's passing. I have so many fun memories of being young and spending vacations up in Iron River with all of you. Deanna was so good at fishing and knew where all the good fishing spots were. I will never forget the sound of her laugh! She had the same laugh as Aunt Sally! When she moved down here for a few years in her late teens we spent a lot of time together since we were close in age. Our family loved getting together all the time even then and we played poker and 31 all the time. The fun memories are many and I will always remember them. I pray that Deanna had accepted Jesus as her Lord and Savior before her passing. I know life was not always easy for her, even as a child, so I pray that she is finally at peace and has everlasting life. I pray that her husband, Nicole and her grand daughters will know how much she loved them and that they were all she talked about when I saw her last about 4 years ago. God Bless all of you and finally may you Rest in Peace Deanna.

“ Butch, We are so sorry for the loss of your beautiful wife. I am sorry we did not have a chance to get to know her better but your voice would always light up whenever you spoke of her and we could feel the love you have for her. Please know in your heart that she is with our Lord and watching over all of you always. I wish I could tell Deanna what a special person she is for loving my brother so much and being the family of his dreams, and I will in my prayers. Life is a journey and Deanna has reached her destination but will be waiting for us all with open arms one day, but would want us all to live life to it's fullest in the mean time. God Bless
