“ I would like to express my deepest sympathy to your family. I haven't known Del for very long since I just moved to this area recently. I work at one of the local Citgo stations and met Del there. He was one of the sweetest people I have ever met. On hot days he was always near by with a popsicle for any of us that worked there. I will truly miss his sweet and gentle demeanor. I will continue to keep you all in my prayers in this time of sorrow.
