“ Nan's Virginia family is saddened by her passing, but also happy that she's at peace and now joining our mom, her daughter Joddy, and others in Heaven and rejoicing in their reunion. Despite the physical distance in our homes, Nan always has been a part of our lives, and been there for major and minor moments. The timing of her service prevents us from being there; however, we are there in heart. To honor her, we will be making a contribution in her name to the ProMedica Skilled Nursing Rehab in Kingsford for their care for her in the final stage of her life. Five grandchildren, 8 grands, and a great-grand she didn't get the chance to learn about, her legacy continues.
