“ *As a kid growing up around the family and being a part of the family at a time, I was deeply saddened to here the news of such a great loss. My heart goes out to each of you and your loss.*

I feel truly blessed to have had the opportunity to know such an incredible and amazing woman! Her strength and ability to comfort others in her time of sorrow was inspiring to me. I tell people about Deloris, and what she endured in her lifetime... but still threw all of it had the faith and trust in God's plan. Truly Amazing!!

I very much look up to you Deloris, you are an encouragement to me. Thank you so much for all the many many memories you, Jerome and all of the family have given me to hold on to. I only wish I could have gotten one more hug from you because your hugs were the best ever! THE BEST... I love you

With the deepest sympathy,

“ Delores was a big hearted person who always made you feel welcome and would always offer coffee or something to eat. She wasn't too busy to visit with you; not many people like that any more. The town of Fence isn't the same without people like Delores and Jerome. You will be greatly missed. Pat & Gale (Pete) Hall
