“ *Dennis was one of those guys who would give you the shirt off his back just to help you out and if you needed help he was right here. I don't think there was anything that he couldn't fix even if it mean't using his favorite Gorilla Glue and Epoxy... lol His sense of humor always put a smile on your face. I will miss our political debates, conversations about news and life in general he will be missed greatly... Your family is in our thoughts and prayers! Tracy Schwartz*

“ *Dennis will be missed at UWFox, he was a kind and spirited soul. He was one of the first people to say good morning and always stepped up to help! I will miss our chats and rants! I am happy that I was able to get to know Dennis throughout the years. He became a dear friend. My deepest sympathies to his family and friends. Thinking of all of you during this difficult time.*

“ Dennis was one of the few maintenance folks who was there when I started teaching at Fox. He was very welcoming, and I always enjoyed our little chats in the hall. He was always chipper and friendly, and it won't be the same without him. I'm sorry to have to miss the service, as I'm out of the state, but he and his family will be in my thoughts.

“ My deepest condolences to Dennis's family. I'm a former non-traditional student at UW-Fox and then an employee. We always have each other a fun, hard time passing each other in the hall. Always put a smile on our faces. Dennis will be missed by many.

“ My condolences to Dennis' family. I had the pleasure of working with Dennis at UW Fox Valley. I was always impressed with his "ingenuity" and "can do" spirit. Though I can't attend his memorial service, I will be with you in spirit. Dennis will be missed. Tom Frantz

“ Dennis was very, very good friend of mine throughout high school and beyond. I have so many good memories of piling into his Nova and driving around the back roads. I don't know how he did it, but he always knew exactly where we were. I could write a book with all the memories I have of Dennis. My deepest sympathies to his family and friends for the loss of such a wonderful guy. Mary (Pucci) Bruen
